

LITON ROY

Frontend Developer | React.js | Next.js

+8801778992080 | litonroy900796@gmail.com | github.com | Adabor 10 mohammadpur

SUMMARY

Frontend Developer with 3+ years of experience in building responsive, high-performance web applications using HTML, CSS, JavaScript, Tailwind CSS, React, Nextjs, and Redux Strong development focus with experience in integrating designs into scalable, maintainable, and user-friendly interfaces Passionate about writing clean code and delivering functional, efficient solutions

EXPERIENCE

Frontend Developer

Codeware Limited

06/2023 - Present | Road # 12, Adabor, Mohammadpur, Dhaka-1207, BD.

- Designed and developed responsive and high-performance web applications using React, Next.js, Redux, Tailwind CSS, HTML, and CSS.
- Created modern UI/UX designs in Figma and translated them into pixel-perfect, user-friendly interfaces.
- Built reusable and scalable components following modern frontend architecture and best practices.
- Implemented state management using Redux for handling complex application data.
- Implemented API integration and data handling in frontend applications.
- Collaborated with designers, backend developers, and team members to deliver seamless and functional solutions.

Frontend Developer | Designer

Somikoron AI

01/2022 - 07/2022 | Remote

- Created responsive web designs ensuring optimal experience across desktop, tablet, and mobile devices.
- Translated UI/UX design concepts into functional web interfaces using HTML, CSS, and Tailwind CSS.
- Maintained consistent design systems, typography, color schemes, and visual hierarchy across projects.
- Collaborated with developers and product teams to ensure design feasibility and smooth implementation.
- Improved user experience (UX) by refining layouts, spacing, and interaction elements.

EDUCATION

BSc in Computer Science and Engineering (CSE)

Bangladesh University

06/2023 - Present

5/B, Beribandh Main Road, AdabarMohammadpur, Dhaka - 1207

Diploma in Mechatronics Engineering

Thakurgaon Polytechnic Institute

01/2017 - 06/2021 | Gobindra Nogar, Thakurgaon Road, Thakurgaon

PROJECTS

Hotel & Tour Booking System

<https://lizimoove.com/en>

Short Summary of My Work

- Designed and developed a fully responsive hotel and tour booking platform using Next.js 14, TypeScript, and Tailwind CSS.
- Built with Next.js 14 (App Router), TypeScript, and Tailwind CSS; implemented multi-language (i18n) support for English, Spanish, French, and Bengali using next-intl.
- Integrated React Query for efficient data fetching and caching; used Zod + React Hook Form for robust form validation.

Kormi24

<https://www.kormi24.com/en>

Short Summary of My Work

- Designed responsive, user-friendly interfaces for a location-based job marketplace platform.
- Integrated REST APIs to connect frontend components with backend data.

Snowsearch Australia

<https://www.snowsearch.com.au/>

Short Summary of My Work

- Designed responsive, user-friendly interfaces for a snow resort search and booking platform.
- Created pixel-perfect UI/UX layouts optimized for mobile, tablet, and desktop screens.
- Ensured visual consistency and design coherence across all pages.

FeedHub – Social Media Feed Application

<https://github.com/litonroy900796/React-FeedHub>

Short Summary of My Work

- Built a full-featured social media feed app using React with post creation, editing, deletion, likes, and comments functionality with user authentication (login & register) and profile management.

SKILLS

HTML5 & CSS3

JavaScript

Tailwind CSS

Bootstrap

React JS

Next js

Redux

TypeScript

TanStack Query

React query

REST API

Zod

JWT

React Hook Form

Context API

WordPress
